The October 22 Coalition to Stop Police Brutality, Repression and the Criminalization of a Generation has been mobilizing every year since 1996 for a National Day of Protest on October 22, bringing together those under the gun and those not under the gun as a powerful voice to expose the epidemic of police brutality. For more information or to get involved:

Voice/Fax (toll free): 866-235-7814
E-mail: oct22ny@yahoo.com
Web: october22-ny.org

The Coalition also works on the **Stolen Lives Project**, which documents cases of killings by law enforcement nationwide. The second edition of the *Stolen Lives* book documents over 2000 cases in the 1990's alone. Volunteers are needed to help with the research and editing of cases since then. Please contact the National Office at info@october22.org for more information. Visit the website at stolenlives.org or the national website at october22.org
